1. Introduction

The Governors of Capel Primary School are committed to providing sound financial controls, to achieving value for money and to being worthy custodians of public money. To achieve these aims the Headteacher and the Governing Body have drawn up this Finance Policy to provide the guiding principles for which all Governors and staff will operate within.

This Policy has been drawn up in accordance with the Local Authority's (LA) Scheme for Financing Schools.

2. Principles

Capel Primary School Finance Policy will adhere to the following principles;

- The responsibilities of the Governing Body, its committees, the Headteacher and staff will be clearly defined and limits of delegated authority established, where applicable.

The **Governing Body** is responsible for taking steps to ensure that expenditure reflects best value principles. This is done by;

- Using both performance data and financial benchmarking to **compare** to similar schools locally and nationally.
- Using the information gained to **challenge** performance and set new targets
- Using fair **competition** through quotations and tenders, ensuring resources and contracts for services are secured in the most economic, efficient and effective way
- Seeking the views of staff and parents about the services we provide.

The school will establish sound internal financial controls, based on the LA's Financial Controls to ensure the reliability and accuracy of its financial transactions.

The budget will reflect the school's prioritised educational objectives through its links to the School/Development Improvement Plan, which indicates the resource implications of each priority.

The budget will be subject to effective monitoring, allowing the Governors, Headteacher and staff to maintain financial control in line with the Balance Control Mechanism by reviewing the current position and taking any remedial action necessary.

The school will be adequately insured against exposure to risk.

The school will ensure that:

- The Budget Share is spent for the purpose of the school only
- Purchasing arrangements achieve value for money
- There are sound procedures for the administration of personnel matters
- There are sound procedures for the administration of payroll matters
- Stocks, stores and assets are recorded and adequately safeguarded against loss or theft
- All income due is identified and all collections receipted, recorded and banked promptly
- The operation of the bank account and the reconciliation of bank balances with the accounting records are properly controlled
- The use of a Corporate Card is strictly controlled
- The School Voluntary Fund and any other non-public funds are administered as rigorously as public funds
- Any suspected irregularity will be reported immediately to the LA's Head of Internal Audit
- The school will adhere to current Data Protection legislation
- Financial arrangements will be made with LA to enable staff absence to be covered.

3. Putting Policy into Practice

3.1 Delegated Authority

The Full **Governing Body** of Capel Primary School has overall responsibility for the management of all of the school's finances covering the revenue budget, other budgets delegated or devolved by the LA and other funds (e.g. the School Voluntary Fund).

The **Full Governing Body** of Capel Primary School will ensure the annual detailed report of the Schools Financial Value Standard (SFVS) is provided to them and the chair of governors will sign the completed form prior to sending a copy to the Local Authority.

The **Resources Team** is delegated responsibility by the Full Governing Body for the following aspects of financial management;

- Evaluate and recommend the three year budget plan, which shows clear links to the School Development/Improvement Plan, for approval by the Full Governing Body
- To review the Finance Policy and agree levels of delegation for approval by the Full Governing Body
- To review the Charges and Remissions Policy for approval by the Full Governing Body
- To review a Pay Policy for approval by the Full Governing Body
- To make decisions in respect of service agreements and insurance
- To advise the Full Governing Body of any consultations to change the LA Scheme for Financing Schools, to allow the school to respond to any consultation

The **Headteacher** is responsible for implementing the decisions of the Governing Body and for the operational management of the school. The general administration of financial procedures is delegated to the School Business Manager.

3.2 Internal Financial Controls

The internal financial controls operated by Capel Primary School follow the financial controls set out in the LA's Scheme for Financing Schools.

3.3 Financial Links to the School Improvement Plan

The School Development/Improvement Plan has sufficient scope and depth of the financial implications and it is reflected in the school's three year budget plan.

3.4 Monitoring and Virements

Capel Primary School recognises that the regular monitoring of income and expenditure against the agreed budget is central to effective financial management. To this end, the School Business Manager carries out a monthly internal monitoring procedure, copied to the Resources Team. A monitoring report is taken to all meetings of the Resources Team which reports, if required, to the Full Governing Body. Monitoring reports are submitted to the LA in accordance with its timetable. Governors should ensure their meetings are timed to see all monitoring submitted to the LA either prior to submission or soon after. This will ensure they have an up-to-date position of the school's finances.

On occasions, virements may need to be carried out. Virements to the approved budget are minuted appropriately and require the following authorisation:

Virements up to £8,000 - The Headteacher, reported to the Resources Team

Virements from £8,001 - £10,000 – The Resources Team

Virements over £10,001 – The Full Governing Body

3.5 Insurance

Capel Primary School is insured through ***the Kent County Council (KCC) 'Safe Hands' Scheme*** with relevant cover, as identified by the schedule received from the LA's Insurance section.

Capel Primary School does not purchase Money Cover through the Safe Hands scheme and therefore recognises that cash is not insured.

3.6 Purchasing

At Capel Primary School, budgets are delegated to Subject Leaders and class teachers. Budget holders prepare a 'needs budget' for their area of responsibility, which is approved by the Headteacher, staff and governors at a budget meeting in line with the priority needs of the school and the School Development/Improvement Plan.

All staff adhere to the school procedures for purchasing items, paying regard to value for money at all times. The Headteacher or designated deputy authorises all orders and invoices prior to payment.

Where the school purchases large items, we adhere to the procedure for Spending the Council's Money as laid down in the Scheme for Financing Schools (www.kent.gov.uk/publications/business/spending-councils-money.htm),

in summary:

- For orders in excess of £8,000, but less than £50,000, three written quotations are obtained and submitted to the Resources Team for approval and report to the Full Governing Body
- For orders of £50,000 or over, no fewer than three competitive tenders are sought and submitted to the Full Governing Body for approval

All of the above will be minuted at the appropriate committee/Governing Body meeting to ensure that the School is seen to be obtaining value for money at all times.

The school does not enter into any Hire Purchase agreements, Finance agreements or Finance Leases as this constitutes borrowing which is not permitted.

3.7 Personnel Matters

At Capel Primary School, at the start of every financial year the School Business Manager uses a financial planning tool to calculate the salary costs of all members of staff, including increments, where applicable. These details are used by the Resources Team for incorporation into the school budget planning process.

The ***Headteacher's Pay and Performance Review Committee*** undertakes an annual review of the Headteacher's salary, and recommends enhancements, if applicable, to the Full Governing Body for approval.

The Pay Committee undertakes an annual review of all other staff, in accordance with the Governors' Pay Policy and reports to the Resources Team.

Details of all salaries are recorded as a confidential item in the minutes.

We have appointed someone who is independent of the school to audit the Voluntary Fund accounts on an annual basis. All monies for the Voluntary Fund are held securely and separately from those of the school budget.

3.14 Irregularities

All staff at Capel Primary School are aware of the LA's Whistleblowing arrangements and to whom they should report concerns. These details are available to staff in their staff handbook.
